Winter Ready: Local Support to Keep You Warm, Safe and Well

This winter, Leek and Biddulph Primary Care Network (PCN) is bringing together local organisations to help you stay healthy, safe, and supported through the colder months. Our Winter Ready Campaign offers practical advice, helpful resources, and essential support—from keeping your home warm to looking after your physical and mental wellbeing.

Together with our community partners, we're here to make sure you have what you need to face winter with confidence, comfort, and care.

Because when local organisations work together, everyone benefits.
